FOREWORD

As a backward glance at all of the year's activities — plays, games, dances, banquets, luncheons and the myriad of events which have tended to release the strain of strictly scholastic work, we take pride and joy in presenting this book to you. In commemoration of the Tercentennial held this year in celebration of the origin of secondary schools in the United States, the thirty-fifth Legenda has been planned and executed to bring you enjoyment now and to refresh pleasant memories in the future.

ADMINISTRATION

Mr. Miller as superintendent of schools has not only maintained and improved educational leadership in Saginaw public schools but has established himself throughout Michigan and elsewhere as an expert in school finances. He is a man who to an unusual degree has the ability and finds the time to devote himself to the problems of personal adjustment of students and the building of schools and budgets. His success may be explained by the prodigious amount of time that he spends in his work.

If not the dean of school board members in Michigan, Mr. Bastian is one of the deans. Therefore it is only natural that he should be rewarded for his efforts and the Saginaw schools profit by his being elected to the presidency of the school board.

Miss Morgan with her democratic helpfulness and sympathetic understanding as assistant principal and dean of girls has seen thirty years of service at Arthur Hill.

Miss Schemm as office secretary started her career here three years ago immediately after being graduated from Arthur Hill. Her efficiency and expert understanding of her work have made her a valuable asset to this institution.

DEDICATION

For his untiring and unending efforts to make this place in which we have lived a more interesting and beneficial phase of our lives, we dedicate this book to I. M. Brock, principal of Arthur Hill High School. During the six years that he has been here, he has sincerely devoted himself to the supervision of school activities and to the shaping and moulding of student character which will always be appreciated by graduates and under-graduates alike.

CLASSES

GRADUATES

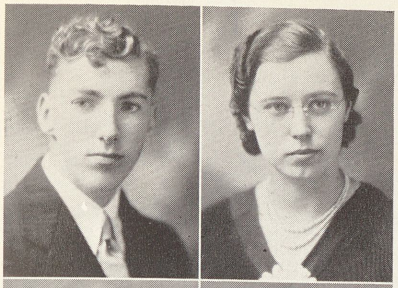

In scanning the pages of the history of Arthur Hill High School, we find that Miss Sarah Burnham in 1871 was graduated from the Academy, the first Saginaw high school, which was located on the present John Moore site.

Miss Sarah Burnham became Mrs. William Morgan, the mother of Miss Lillian B. Morgan, who is now assistant principal and dean of girls. Mrs. Morgan is today the second oldest living graduate of Arthur Hill High School and is the first of three generations of graduates. Robert Philip Morgan, the youngest of the third generation, receives his diploma this June.

Sixty-four years ago this June, Mrs. Morgan received her diploma in the dainty, white frock of batiste and lace which is worn in this picture by her granddaughter, Miss Virginia Helen Morgan, of the class of 1931, who receives her B. A. degree this June from the University of Michigan.

Michigan Alumni Trophy

Michigan Alumni Trophy

Superior in scholarship, athletics, and leadership is the boy who has his name engraved upon the Michigan Alumni Trophy. A junior or senior boy is eligible for the award, but the honor usually is accorded a graudating senior.

The plaque was given to the school in 1928 by the Saginaw Branch of the University of Michigan Alumni Club. It remains in possession of Arthur Hill. Conferring the honor falls upon a committee composed of Principal I. M. Brock, junior and senior advisers, Mrs. Sallie Brown, and Mrs. Dorothy Giesel, respectively, and the athletic adviser, Mr. Stanley Anderson.

Ippel Cup

Engraving his or her name upon the Ippel Cup is the honor accorded to the graduating senior who has done most for Arthur Hill. In 1922 the cup was established for the late Julius W. Ippel by his friends.

The committee who confers the honor is composed of Superintendent Chester F. Miller, Principal I. M. Brock, and one alumnus chosen by them. The winner's name is engraved upon the cup which is retained by the school.

Seniors who have won the award previously are: Ellen Roeser, 1934; Lyman Bittman, 1933; Lorna Schemm, 1932; John Cramer, 1931; Dorothy Schroeder, 1930; Clarence Steltzriede, 1929; Ben Kessel, 1928; Helen Cartwright, 1927; Delbert Rice, 1926; Roland Waite, 1925; Walter Strobel, 1924; Raymond Hart, 1923; and Harry Hawkins, 1922.

Wells-Stone Scholarship

To the graduating senior who has made known his intention of competition and who attains the highest average goes the Wells-Stone scholarship for June, 1935. This scholarship is valued at approximately one thousand dollars and entitles the winner to four years' tuition at the University of Michigan.

Through the generosity of Mr. Arthur Hill, the school was given four scholarships which he named in honor of his friends who had helped to further education in Saginaw. They were named the Alonzo Bingham, John Moore, Otto Roesser, and Wells-Stone Scholarships.

Winners of scholarships for the last five years include: Barbara Hlad, 1934; Rosemary Neuhaus, 1933; David Stewart, 1932; Russell Houvener, 1931; and Isabelle McKellar, 1930.

National Honor Society

Service, character, leadership, and scholarship determine a student's eligibility for membership in the Arthur Hill Chapter of the National Honor Society.

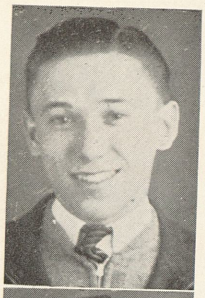

Only students who have been in the upper third of their class scholastically since their entrance into high school can be considered by members of the faculty. Only 12A students at Arthur Hill can be admitted. Every candidate for membership is graded numerically according to his qualifications, thus putting the selection on as mathematical a basis as possible. If, after being received into the chapter, a member falls below the standards which were a foundation for his selection, he is dropped from the chapter by a majority vote of the faculty.

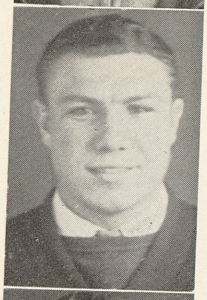

The scholarship committee consists of Miss Lillian B. Morgan, chairman and honorary sponsor of the chapter, Miss Mattie G. Crump, Mrs. Dorothy Giesel, Miss Ethel Peterson, Miss Irma Stockdale, and Mr. Ben G. Wells.

In order to stimulate leadership by helping with the solution of their own problems, the Student Union Cabinet came into being early in October. A truly representative organization, the body, in the first year of its existence adopted a constitution, arranged for a student union office, featured a Senior Prom, planned the homecoming parade, had numerous luncheons, considered the smoking problem about school, extended the night party hours, sponsored the first annual football banquet, offered a Parent Teacher exhibition, supervised the ticket sales for the junior and senior plays and for the Legenda, sold McCall magazine subscriptions to swell the school fund, selected assembly speakers, and designed a new student union membership ticket for next year.

The Cabinet is composed of the thirty-eight advisory presidents, and its officers are elected by all student union members. The group is subject to call meetings. Mr. I. M. Brock, and the head advisers, Mrs. Sallie Brown, Mrs. Dorothy Giesel, and Miss Mary Lewis are sponsors.

Because of the crowded, inconvenient, and uncomfortable seating conditions, assemblies are few and far between. But the assemblies that are presented, through the efforts of the assembly committee to the student body are both worthwhile and interesting.

The presentation of the newly elected student cabinet president, Harry Denyes, and of the first Arthur Hill football queen, Marcella Staebell, and her attendants, Hester Moon and Vera Dirker, was the feature of the first assembly of the school year, O 18, in preparation for the annual Homecoming program. Coach James C. Loveless was the speaker and June Ann Karp, the chairman.

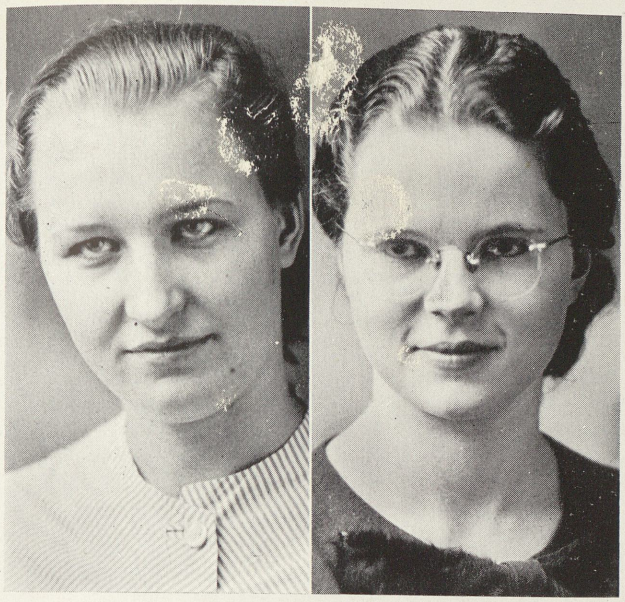

Pep talks, stunts, and stirring martial music sent enthusiasm mounting high at the Thanksgiving assembly, November 28. Mr. Harvey Spaulding, Henry Bremer, Coach Loveless, and Lorraine Genske were the speakers with Dan Wall as chairman.

George Elias aroused the sympathy of his audience with his story of a "Man Without a Country"; while Charlotte Chamberlin, bird warbler, pianist, and rapid sketch artist, delighted a capacity group on February 25.

The Lambda Mu sextette was the Albion College offering at its annual assembly April 10.

An exhibition of Michigan State Police sharp shooting was given in the Annex April 16, with Sergeant Ray Sullivan as chief exhibitor. He arrived in police car 99.

The honor assemblies at which students deserving of scholastic honors are inducted into the various honorary societies were held January 11 and May 24. At the first assembly Lorraine Gehrls was chosen to preside, and the Reverend Fred Davis was the selected speaker. The second semester found Hester Moon at the cherished position of chairman. One of the most looked forward to awards of the year, that of the Michigan Plaque, was awarded to Henry Bremer by Mr. A. O. Cooke. Dr. Sidney D. Eva was the guest speaker with Beth Sarle and the girls' violin trio supplying the music.

French Club

President	Betty Brown
Vice-president	Margaret McBeth
Secretary	Grant Delaney
Treasurer	Jean Hegler

After a vacation of two years the French Club reorganized again under the sponsorship of the French instructor, Miss Mary Lewis. The first meeting was held in April of this year.

The members decided to restrict absences from meetings, and set qualifications for each of its officers. One social meeting and one business meeting a month were planned. At the social meetings members entertained with talks on France and French subjects.

German Club

President	Pha Crowder
Vice-president	Harvey VanBenschoten
Secretary	Loretta Hinz
Treasurer	Eva Kabobel

A German Club choir under the direction of Mr. A. G. Heyer and the sponsorship of Miss Coila B. Start provided entertainment at many programs during the year. Anyone who could sing in German was eligible.

Reports on German sports, German museums, German settlements in Michigan and Saginaw, and the background of German songs were features of the meetings. A "tall story" contest tested the members' abilities at prevarication. The prize story was framed and is to be replaced only by a superior one from a German 4, 5, or 6 student. A Christmas program was presented at an open house program in the Annex. The club renewed its membership in the National Declaration of German Clubs.

Spanish Club

President	Barbara Love
Vice-president	Lucille Bremer
Secretary	Christian Hoppe
Treasurer	Dorothy Zwingman

After a lapse of a year, the Spanish Club reorganized under Miss Marguerite Bechtold in December, 1934. The members decided to adopt as their project the study of South America and Mexico. Meetings were held the second and fourth Thursday of every month.

Sponsoring a Spanish program and a Spanish dinner was undertaken, of which Alice Parkin was general chairman. The open program was in commemoration of Pan-American day. A series of talks on "A Trip Through Mexico" was held under the chairmanship of Jack Schust.

The club became officially known as "El Circulo Hispano" through a decision of the members.

President	Martin Peckover	Jack Wilson
Vice-president	Evelyn Kirstowsky	Mary Cramer
Secretary-treasurer	Mary Cramer	Jane Dennison

Diversification of art activities kept the Art Club busy with projects for the benefit of the members and the school. One of the club's major undertakings was to beautify the grounds around the main building. Through a contribution booth and artistic and colorful posters advertising the idea, money was collected in exchange for tags. This money, along with donations of other clubs who wished to further the project, was turned over to Principal Brock who in turn arranged for the seeding and transplanting of grass and shrubbery. Student volunteers spaded the ground for the seeding. Other activities of the club included a lecture by Mrs. Robert Armstrong and the designing of Christmas cards which were sold to students and faculty.

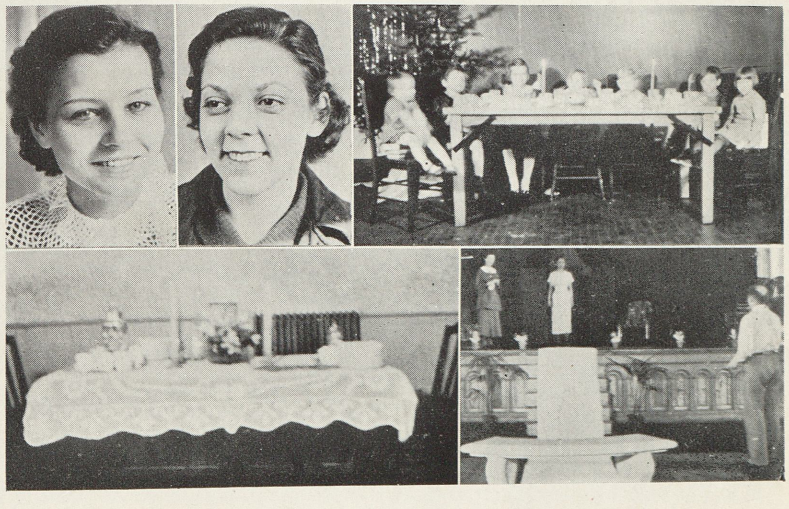

Home Economics Club

Beginning the year by taking out a membership in the national organization of Home Economic Clubs through the department at Lansing, the local club directed all its activities toward preparing for the two main projects of the year—the Christmas party given for a group of small children at which Santa brings presents of clothing made in class and treats of goodies made in the foods group, and the Mother-Daughter Tea and style show which is another department exhibit of work accomplished.

Other interests of the club included a party for the new sophomores, a visit to the House of Linens, a tea dance, a laundry demonstration, a speech by Miss Loggan of the Kellogg Company, and the sending of a group of girls to the state meeting at Michigan State College at Lansing.

A better understanding of the difficulties, both ancient and modern, that beset the children of today, as well as an enlightening, correct, unbiased explanation of the school situation as it now exists; and a spirit of cooperation among students, faculty, and parents that is prompted by good fellowship — these are the realized aims of the Arthur Hill Parent Teacher Association. All activities were based on the local theme "The Development of the High School Student".

Open night, October 3, the first meeting of the year, found Mr. Frank E. Bastian, new president of the school board, explaining the fifteen mill tax problem in relation to the school situation to five hundred parents after they had visited the various classes of their children.

In accordance with National Education Week, the faculty assumed charge of the meeting November 7; while Mr. Walter Holt conducted the welfare card party on November 22.

"Resolved, that American parents are sufficiently aiding in the development of high school students" was the subject for debate at the December 5 meeting.

Parents and teachers occupied sideline and balcony seats when the students, headed by the Student Union Cabinet, took over the January 9 meeting.

Mr. Leslie P. Kefgen, member of the State Planning Board, spoke on "Our Schools," Professor T. Luther Purdom, of the University of Michigan, talked on "Guidance" at the March 6 meeting. Officers were elected.

The Reverend Fred B. Davis, pastor of the Fordney Avenue Baptist Church spoke at the father's meeting on April 3.

The theme of the year was played up by Mr. Adolph Haist of Webber Junior High, Mr. A. E. Case of North Intermediate, and Mr. M. M. Guy of South Intermediate at the May 1 meeting.

The association enjoyed a bridge and garden party at the Harry M. Denyes home, June 6.
